

HOW TO SIGN UP FOR YULA LOVEN'S ADVANCED PRODUCTION TRAINING

Hi, thank you for your interest in my program!

As my programs get attention from students across the globe, I offer an opportunity to sign up paying with either GBP or USD currency. Both currencies have a fixed rate and payment process can be done through different platforms.

Please, read the instructions carefully. Refunds are available within 3 days of purchase. After this period, refunds are no longer possible due to limited program spots. Any issues contact: lovenprogram@gmail.com

IF YOU WANNA PAY IN USD / ZELLE

1. My Zelle account is yulawojcik@gmail.com
2. Newbie Tier is 300 USD
3. Premium Tier with 1:1 Consultation is 500 USD
4. If you are based in the US and can't use Zelle, I can provide a US Bank account upon request.

IF YOU WANNA PAY IN GBP / PAYPAL

1. My Paypal account is yuliavoychick@gmail.com
2. I accept only payments that match GBP currency.
3. Newbie Tier is 250 GBP
4. Premium Tier is 400 GBP
5. When you send payment you must choose the "friends and family" option. I do not take responsibility for any extra fees that are deducted once you send the payment - if the full payment doesn't arrive due to PayPal fees, you need to send the rest. (Usually when choosing Friends and family you shouldn't be charged any fees)
6. If you are based in the UK and can't use Paypal, I can provide a UK Bank Account upon request.

HOW TO SIGN UP

1. E-mail me via lovenprogram@gmail.com
2. In the title include which program you wanna sign up for and the chosen date (ex PRODUCTION PROGRAM SIGN UP / SATURDAYS)
3. In the e-mail let me know which day you chose SATURDAY or SUNDAY classes
4. Once I receive payment confirmation, you will be signed up
5. You can sign up for either day, as long as the spots are available. If any spots are sold out, there will be information on the website. Classes are designed to accommodate a larger group of students while maintaining an accessible learning environment.

If you have any questions, please let me know via lovenprogram@gmail.com

Thank you!
